Philips
Clock Radio

AJ100

Sleek design for any lifestyle

Enhance your space and morning routine with the compact AJ100. A large backlit LCD with five one-touch buttons allow easy access to your favourite radio songs. Start each day gently with your choice of songs or a buzzer with escalating alarm.

Sleek, chic and compact design

- Large backlit LCD display for easy viewing in low light
- Digital tuning with presets
- Alarm Time Display shows you the wake-up call time

Start the day your way

- Wake up to your favourite radio tune or a buzzer
- Gentle wake with increasing alarm volume
- Dual alarm time
- Repeat alarm

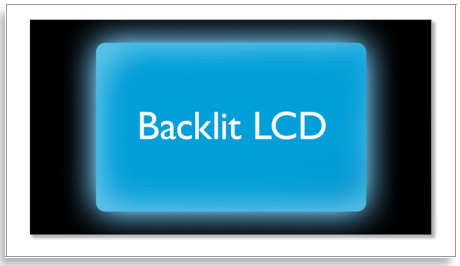
Easy to use

- Five one-touch buttons for easy access to your favourite radio songs
- Sleep timer automatically turns off radio at a pre-set time

PHILIPS
sense and simplicity

Highlights

Large backlit LCD display



Backlit LCD display ensures easy viewing and operation in low light conditions, and provides clear information at a glance.

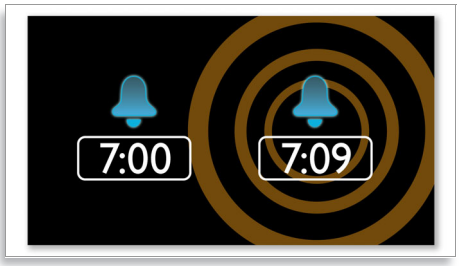
Digital tuning with presets

Digital tuning with presets

Gentle Wake

Start your day the right way by waking up gently to a gradually increasing alarm volume. Normal alarm sounds with a pre-set volume are either too low to wake you up or are so uncomfortably loud that you are rudely jolted awake. Choose to wake up to your favourite music, radio station or buzzer alarm. Gentle wake's alarm volume gradually increases from subtly low to reasonably high in order to gently rouse you.

Repeat alarm



Repeat alarm

Five one-touch radio presets

Access your favourite stations with simple one-touch operation

Sleep timer

Sleep timer lets you decide how long you want to listen to a radio station of your choice before falling asleep. Simply set a time limit (up to 1 hour) and choose a radio station to listen to while you drift off to sleep. The set will continue to play for the selected duration and then automatically switch off to a power-efficient, silent stand-by mode. Sleep Timer lets you fall asleep to your favourite radio presenter without counting sheep or worrying about wasting energy.

Specifications

Sound

- Output power (RMS): 80 mW
- Sound System: Mono
- Speaker diameter: 2.5"
- Volume Control: rotary
